ABOUT SCRIP

Second Chance Re-Entry Initiative Program, Inc. (SCRIP) is a non-profit organization located in Connecticut, engaged in the increasingly challenging service of mitigating recidivism and a growing number of community service initiatives in its quest to be innovation leaders who redevelop the formerly incarcerated population. As a relatively new organization with resource constraints and increased pressure from funders to be accountable for achieving tangible results, SCRIP focused on building organizational capacity as a strategy to run more effective and efficient operations, enhance sustainability, and produce better results from their programs. By building capacity, SCRIP sought to improve their accountability, competitiveness, and effectiveness by using assessment results to enhance its operations and program development processes.

SCRIP'S INITIATIVES

OUR MISSION

SCRIP's mission is to raise awareness of the often-overlooked traumatic experiences in urban communities targeting individuals who face oppressive realities of incarceration, homelessness, unemployment, and racial injustices.

SCRIP facilitates five major programs:

1. COPE employment program
2. CARE housing program
3. Urban Male & Female Initiative mentoring and social support
4. ASCEND academic and counseling career development
5. SCRIP Clothing Drive
