COPE

CAREER OPPORTUNITY PATHWAY TO EMPLOYMENT

COPE is SCRIP's direct employment pathway for men and women who are ready to enter or reenter the workforce. It also welcomes referrals from outside organizations and community partners, including people who are not enrolled in the complete ASCEND program.

What the pathway provides

- Employment preparation and workforce guidance
- Job-development assistance
- Connections and referrals to employers
- Support for outside-agency and community-partner referrals
- Follow-up as participants move toward financial independence

COPE and ASCEND

Different people need different starting points. COPE provides a direct employment pathway. ASCEND goes deeper by addressing trauma, emotional regulation, interpersonal skills, counseling, personal development, financial literacy, career development, mentorship, and stability before and alongside employment.

For some individuals, employment is the first door they are ready to walk through. SCRIP meets them at that door.
